"This data center model combines Lancium's expertise in clean energy with Crusoe's innovative AI infrastructure, maximizing benefits for both Abilene and the industry. We are very proud to be part of Abilene, and we will continue to partner with the Abilene community as we develop our site."

Michael McNamara

Co-Founder and CEO
Lancium

"Great Lakes Cheese's expansion into Abilene, Texas represents our dedication to provide exceptional service to our customers. We look forward to investing in this great Abilene community and our Abilene employee-owners."

Bob Sarver

President and CEO
Great Lakes Cheese Corporation

"We celebrate the growth and commitment of this Abilene plant and Abilene community, with new investment and a physical expansion driven by growing demand for our products and, just as fundamentally, by Bridgestone Bandag's commitment to delivering innovation and superior quality for our customers here and around the world."

Chris Daniel

Executive Director
Bandag Manufacturing,
Bridgestone Americas
